Quote of the month:

Time for Curling

We all love Summer but Fall is creeping up on us and while we hope you have been enjoying the sunshine and heat, it will soon be time to put on your curling shoes and think about getting back on the ICE and in the HACK!

We enjoyed a friendly, fun, and healthy curling season last year and look forward to you and more members returning to the Ice this year. If you need assistance with building a team, contact Joanne at the Callie office.

The Club starts making ice the week of September 8 and 6 sheets will be ready by September 22 in time for the "Viterra Prairieland Camp Series" event on September 23, 2023.

The Callie Board has voted in favor of increasing fees this year to help with operating costs in maintaining facilities, equipment, furniture, cleanliness, electricity, gas, carbon tax, and parking lot expenses, etc.

Also, hand sanitizers will continue to be all around the building.

We look forward to seeing you at the Callie Club this curling season for fun, food, and friendship!
