Welcome to the Callie Honour Roll

Tiffany Watt (center)

Tiffany Watt has dedicated many years of service to our curling community through her time on the board, including being instrumental in the amalgamation of the Tartan and the Callie. Tiffany also served as President of Curl Regina, and was Callie Club President during the unprecedented challenges of the COVID years, where her leadership, commitment, and steady guidance helped the club navigate difficult times while always keeping the best interests of the membership at heart.

Brian Warbey (center)

Brian Warbey has been a dedicated leader and volunteer of the Caledonian Curling Club for many years, serving multiple terms on the Board of Directors, including more than four years as Club President. His leadership was instrumental in guiding the amalgamation with the Tartan Curling Club and supporting the renovation of the club lounge, both of which have had a lasting impact on our organization. Brian also played a key role in hiring an important ice maker, Dean Moulding.

Len Fisher (center)

Len Fisher has been a cornerstone of our curling club for many years, dedicating countless hours as a volunteer, board member, and supporter of the club community. An avid curler, Len has always taken great pride in the club and the people within it, with a strong attention to detail that helped keep the club running smoothly and looking its best. Len's daughter, Michele accepted the award on Len's behalf at our AGM this spring. We are sad to share that Len passed away shortly after receiving his award. He will be remembered for his dedication and generosity on and off the ice.

Both our **main and second floor washrooms** have been given a much-needed upgrade, for a more modern and comfortable experience for everyone.

The photos below offer just a small glimpse at the changes – there's a whole lot more to see behind the doors...

We're excited to show you the results and hope you enjoy the fresh new look as much as we do!
