

The mission of the Callie Curling Club is to foster, promote, and advance the sport of curling by providing a top-quality venue for all curlers. The Callie also serves as a vibrant hub for a wide range of community activities throughout the year.

Save the Date: AGM

Our **Annual General Meeting** will take place **June 23rd at 7 p.m.**

Join us for our AGM as we celebrate another season of success. We encourage all members to attend, stay informed, and get involved.

We're also inviting applications for our Board of Directors. If you're a passionate curler or supporter who wants to help strengthen the future of our club, send us your expression of interest to calliecurlingmedia@gmail.com

Club News

Shout out to the teams that represented the Callie at Provincial and National levels:

Trevor Holloway, Ryan Geisler, Scott Stulberg, Justin Seto and J. Colton Macdonald represented the Callie at the Canadian Pride Championships in Toronto in March.

Teams **Knutson**, **Obst**, and **McCusker** represented the Callie at the Club Provincials in Swift Current in March.

Kenda Richards and **Gord Bell** represented the Callie at the Masters.

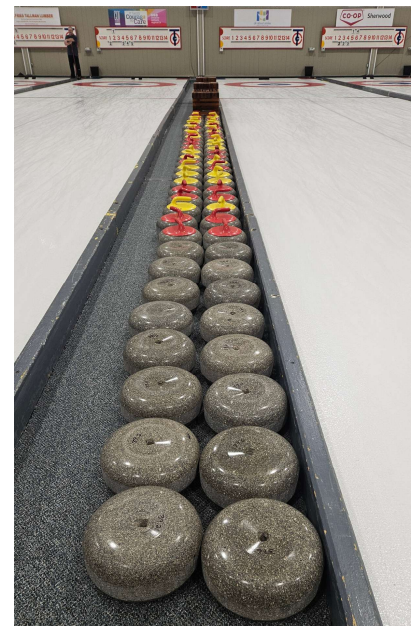

Congratulations to **Team Bryden** for winning the Senior Mens Provincial, National, and World Championships, and for being awarded Sask Sport's Team of the Year!

Reconditioned Stones

We are excited to share that all of the rocks at the Callie have been reconditioned.

As part of the process, the striking bands were reshaped, resulting in rocks that now run straighter and faster than before. Striking bands are the single most important factor in determining the longevity of a curling stone.

Having our rocks refinished marks an important investment in the quality of play for seasons to come.

Federal Bonspiel

The Federal Bonspiel, held March 4th to 8th, was a great success this year, bringing together 40 teams for a weekend of competitive play and camaraderie. With five event winners crowned, the level of competition was matched only by the spirit of sportsmanship on and off the ice.

2026 USports/CCAA Curling Championships

The Callie was bustling with excitement the week of February 16th while we hosted the 2026 U SPORTS/CCAA Curling Championships.

Memorial University captured its first U SPORTS women's title, edging McMaster after scoring late in a tight championship match, while the University of Calgary men's team won its first national title on a dramatic final shot against Carleton in extra ends.

The Humber Hawks capped off an undefeated tournament by defeating the NAIT Oaks 7-2 to claim the men's CCAA national title. On the women's side, Red Deer Polytechnic edged out SAIT 6-5 after a hard fought battle.
