Buzzer Guidelines for Leagues with Late Draws

If you hear the buzzer, please finish the current end and play one more end.

Note: No buzzer means you may play your game to completion.

Bonspiel Winners

Ladies November Spiel

Our annual Ladies Bonspiel was held November 21-22, 2025. With 18 teams, it was the best turn out for this event since the COVID-19 pandemic.

This year's event had a fantasy theme.
Hats off to the Peter Pan crew who won best costume!

A special shout out goes out to the many sponsors who contributed to the event and to the teams who travelled from Flin Flon and Yorkton!

Denmark is a biking nation. The country has over 10,000 kilometers of safe bike routes that offer security and peace of mind. The country's network of bike paths is not just for seasoned cyclists; even a novice can enjoy cycling Denmark's gentle landscape.

Denmark Cycle Vacation 2026

DENMARK

Our tour is a nine-day and eight-night trip. You may ride as much or as little as you like, however an average day would see you ride 30-50 kilometers. This may sound like a huge undertaking, but remember you can average 12 km/h and we have all day. The majority of our rides are on bicycle paths. There are always quaint villages along the way with cobblestone town squares, bakeries, ocean breezes, forests and friendly smiles. By the end of the day you will be surprised how far you actually biked.
